PRESIDENT'S PLACE

The Holiday Season is fast approaching; the Jasper County Chamber would like to encourage residents to show their support of the retail and services in our community by committing to spending hard earned dollars in your own community. The chamber launched its "buy Local" campaign to promote buying products and service locally in 2009. Our local economy is stemmed by the money we spend locally. The spirit of staying local this Holiday Season will allow everyone to catch the Spirit and live the dream in Jasper County.

-June

November Character Counts - Success

“I don't measure a man's success by how high he climbs but
how high he bounces when he hits bottom.”
